Anne C. Beal, MD, MPH is dedicated to improving health care in the US, particularly for vulnerable patient groups. Her career is devoted to providing access to high quality health care and has included delivering healthcare services, teaching, research, public health, and philanthropy.

Dr. Beal is President of the Aetna Foundation, the independent charitable and philanthropic arm of Aetna Inc. The Foundation helps build healthy communities by promoting volunteerism, forming partnerships and funding initiatives that improve the health and quality of life across the US.

Prior to that, she was Assistant Vice President for the Program on Health Care Disparities at the Commonwealth Fund, a private foundation that aims to promote a high performing health care system that achieves better access, improved quality, and greater efficiency, particularly for society's most vulnerable, including low-income people, the uninsured, minority Americans, young children, and elderly adults.

About the Davis Lecture

The Kathryn Wasserman Davis Child Advocacy Lecture began in 2008 to support our annual Advocacy breakfast. This year we continue to bring stakeholders together, across disciplines, who are interested in advocating for Westchester's children and youth.

Who should attend?

- Elected officials
- Parents
- Policy makers & civic leaders
- Physicians & other health providers
- Mental health professionals
- Child welfare staff
- Child care providers
- Family service providers
- Educators
- Students

About WCA

Westchester Children's Association (WCA) works to ensure that every child is *healthy, safe and prepared for life's challenges*. Since 1914 we have relied on an arsenal of strategies to win lasting improvements for children and youth in Westchester County. We welcome your collaboration to promote the well-being of all our children.
