

FACTS ABOUT

GRADUATES

in Westchester County—

11,257 students started high school in 2010.
Four years later, where were those students?

85% had graduated on time

11% were still enrolled

1% earned a transfer GED

3% had dropped out

Only **48%**
of those on-time
graduates are
actually ready for
college or careers.

Westchester's graduating students also face
significant racial and ethnic disparities.
